Aquarius Agenda: Stepping into Human Evolution. Jonathan M. King.
AQUARIUS AGENDA is a journey of self discovery through new sciences, psychology Anthroposophy and Buddhism. Along the way, the reader is confronted with crises, the byproduct of our civilizations denial of its own humanity. Finally when the true horror of our misperceptions is laid bare, technology and spirituality offer the answers, hard facts and ultimate truth! The book looks back into our recent history building a psychological profile of Westerners growing up under the hammer of the mercantile and imperial systems. Comparisons are made with indigenous Indians and Aboriginals who evolved under a different set of values. Addressing the unfolding crises around us forces us to ask important questions: What is the true nature of reality? Who are we? What is our purpose? The book offers a roadmap to stepping out of our self gratifying reality and into evolution. AQUARIUS AGENDA closes the gap between science and spirituality combining Eastern philosophy with exciting breakthroughs in quantum physics and epigenetic biology. New knowledge is offered, regarding what is really going on in our direct environment, how we can relate to it and improve the standard of living throughout the entire planet for all its inhabitants.
