Ardeur: 14 Writers on the Anita Blake, Vampire Hunter Series (Smart Pop series)
Laurell K. Hamilton's Anita Blake, Vampire Hunter series is a literary sensation, thanks to its strong female hero, well-fleshed (both literally and literarily) characters and unabashed attitude toward sex. The world Hamilton has created is powerfully compelling and stunningly complex—and it gets deeper, richer and more perilous, with every book.

Straddling the series' dominant themes of sex and power, Ardeur gives Anita fans a deeper look into the dynamics, both personal political, that have kept readers fascinated throughout the run of the series. Why is the ardeur the very best thing that could have happened to Anita, personally (aside from all the sex it requires her to have with hot men)? How is Anita's alternate United States a logical legal extension of our own? And as the series continues, what other bargains might Anita have to make with herself and others in order to keep the people she loves safe from harm?

The collection includes essay introductions by Hamilton, giving context and extra insight into each essay's subject.

Heidi Crenshaw:

As a university student exactly feel bored in order to reading. If their teacher requested them to go to the library in order to make summary for some guide, they are complained. Just little students that has reading's heart or real their hobby. They just do what the professor want, like asked to go to the library. They go to at this time there but nothing reading seriously. Any students feel that reading through is not important, boring

and also can't see colorful pics on there. Yeah, it is to become complicated. Book is very important for yourself. As we know that on this period, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. So , this Ardeur: 14 Writers on the Anita Blake, Vampire Hunter Series (Smart Pop series) can make you really feel more interested to read.
