Not Just Roommates: Cohabitation after the Sexual Revolution Elizabeth H. Pleck

The late twentieth century has seen a fantastic expansion of personal, sexual, and domestic liberties in the United States. In *Not Just Roommates*, Elizabeth H. Pleck explores the rise of cohabitation, and the changing social norms that have allowed cohabitation to become the chosen lifestyle of more than fifteen million Americans.

Despite this growing social acceptance, Pleck contends that when it comes to the law, cohabitors have been, and continue to be, treated as second-class citizens, subjected to discriminatory laws, limited privacy, a lack of political representation, and little hope for change. Because cohabitation is not a sexual identity, Pleck argues, cohabitors face the legal discrimination of a population with no group identity, no civil rights movement, no legal defense organizations, and, often, no consciousness of being discriminated against. Through in-depth research in written sources and interviews, Pleck shines a light on the emergence of cohabitation in American culture, its complex history, and its unpleasant realities in the present day.

From reader reviews:

Winston Craig:

Reading a publication tends to be new life style on this era globalization. With studying you can get a lot of information which will give you benefit in your life. Together with book everyone in this world can share their idea. Books can also inspire a lot of people. Many author can inspire all their reader with their story as well as their experience. Not only the story that share in the books. But also they write about the knowledge about something that you need example. How to get the good score toefl, or how to teach your children, there are many kinds of book which exist now. The authors on earth always try to improve their ability in writing, they also doing some analysis before they write to the book. One of them is this Not Just Roommates: Cohabitation after the Sexual Revolution.

Ida Shrout:

A lot of people always spent all their free time to vacation or go to the outside with them friends and family or their friend. Did you know? Many a lot of people spent they free time just watching TV, as well as playing video games all day long. If you need to try to find a new activity honestly, that is look different you can read the book. It is really fun for yourself. If you enjoy the book which you read you can spent the entire day to reading a guide. The book Not Just Roommates: Cohabitation after the Sexual Revolution it doesn't matter what good to read. There are a lot of those who recommended this book. These folks were enjoying reading this book. Should you did not have enough space to develop this book you can buy often the e-book. You can m0ore simply to read this book through your smart phone. The price is not too costly but this book possesses high quality.

Cynthia Caron:

Is it you who having spare time and then spend it whole day simply by watching television programs or just telling lies on the bed? Do you need something totally new? This Not Just Roommates: Cohabitation after the Sexual Revolution can be the reply, oh how comes? It's a book you know. You are thus out of date, spending your extra time by reading in this new era is common not a geek activity. So what these textbooks have than the others?

Annie Hiatt:

A lot of guide has printed but it takes a different approach. You can get it by internet on social media. You can choose the top book for you, science, comic, novel, or whatever by simply searching from it. It is identified as of book Not Just Roommates: Cohabitation after the Sexual Revolution. You can include your knowledge by it. Without leaving the printed book, it may add your knowledge and make anyone happier to read. It is most significant that, you must aware about reserve. It can bring you from one destination to other place.
