Paper Money of the United States: A Complete Illustrated Guide With Valuations Arthur L. Friedberg, Ira S. Friedberg, Robert Friedberg
The standard reference work on American currency. This guide illustrates, catalogs, describes and places values on all United States paper money, from the first issues in 1861 to the present. Included are the large size notes issued until 1928, the fractional currency (three cents to fifty cents) notes produced from 1862 to 1876, and the current size notes, which were first issued in 1929. Also includes sections on notes of the colonial period and the issues of the Confederate States of America. The Friedberg Numbering System is the method used by dealers to identify and describe notes when buying and selling. Also, for the first time, a section featuring color illustrations.
