Teaching Evidence-Based Practice in Nursing: Second Edition

Teaching Evidence-Based Practice in Nursing: Second Edition

Awarded second place in the 2013 AJN Book of the Year Awards in the Nursing Education/Continuing Education category

This AJN award-winning text is the only book to teach evidence-based practice (EBP) content grounded in a tested philosophy of teaching and learning. It provides the tools, perspective and context for health educators and practitioners to implement evidence-based care practices and evaluate their efficacy.

Reflecting four years of successful experiences in helping academic agencies understand and implement EBP, this new edition has been reorganized to include updated information and five new chapters. It stresses the importance of mentorship in creating EBP and illustrates how mentorship can be designed and implemented to promote EBP. The text clarifies three principal values:
