The Good Humor Man: Or, Calorie 3501 Andrew Fox
In this satiric romp inspired by Ray Bradbury's *Fahrenheit 451*, set in 2041, government-sanctioned vigilantes—the Good Humor Men—ruthlessly patrol the streets, immolating all fattening food products as illegal contraband. A pound of real chocolate is worth more on the black market than a kilo of cocaine. Evil "nutraceutical" company MannaSantos controls the food market with genetically modified products, such as "Leanie Lean" meats. But the craze for svelte healthfulness has reached a critical turning point, as a mysterious wasting plague threatens to starve all of humanity.

A lone ex-plastic surgeon and founding Good Humor Man, whose father performed a secret liposuction surgery on Elvis Presley, holds the key to humanity's future. In a mad dash to retrieve his family heirloom—the mortal remains of the King's belly fat—Dr. Louis Shmalzberg becomes entangled with a civil servant of questionable motives, an acquisitive assassin from a wealthy Caliphate, a power-mad preacher evangelizing anorexia, a beautiful young woman addicted to liposuction, and a homicidal clone from a MannaSantos experiment gone terribly wrong.

Can Elvis save the world sixty-four years after his death?

Colton Fierros:

As a college student exactly feel bored to reading. If their teacher expected them to go to the library or even make summary for some publication, they are complained. Just little students that has reading's spirit or real their pastime. They just do what the trainer want, like asked to the library. They go to generally there but nothing reading really. Any students feel that looking at is not important, boring as well as can't see colorful pictures on there. Yeah, it is to become complicated. Book is very important for yourself. As we know that on this period of time, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. Therefore , this The Good Humor Man: Or, Calorie 3501 can make you experience more interested to read.
