Erwin W. Lutzer

When a Nation Forgets God: 7 Lessons We Must Learn from Nazi Germany Erwin W. Lutzer

This excellent book is so important. It clearly and powerfully explains what the parallels are between Germany's fall from grace and the beginning of our own fall. - Eric Metaxas, author of *Bonhoeffer: Pastor, Martyr, Prophet, Spy*

In *When A Nation Forgets God,* Erwin Lutzer studies seven similarities between Nazi Germany and America today—some of them chilling—and cautions us to respond accordingly. Engaging, well-researched, and easy to understand, Lutzer's writing is that of a realist, one alarmed but unafraid. Amidst describing the messes of our nation's government, economy, legal pitfalls, propaganda, and more, Lutzer points to the God who always has a plan.

At the beginning of the twentieth Century, Nazi Germany didn't look like a country on the brink of world-shaking terrors. It looked like America today. *When a Nation Forgets God* uses history to warn us of a future that none of us wants to see. It urges us to be ordinary heroes who speak up and take action.
