Corinthian Hall: An American Palace

Lenore K. Bradley

Corinthian Hall: An American Palace Lenore K. Bradley
A century ago, Corinthian Hall was constructed on high ground at the edge of a spectacular park. The mansion's immense size, sumptuous decor and splendid setting symbolized the achievements of one of Kansas City's most successful businessmen and epitomized America's Gilded Age. This is the story of how Corinthian Hall came to be ... how Robert Alexander Long created the mansion and its complex of buildings and pathways for his wife and daughters and their families. Eventually, they turned it over to the people of Kansas City. This beautiful softbound book, measuring 9 x 11 inches and 48 pages, includes rare archival photographs, blueprints and more depicting the majesty of this Kansas City building.
