Crystal Hughes is mad as hell. . .

No one is going to tear down the farmland that's been in her family since the turn of the century--certainly not multimillion dollar Welco Industries. And until Welco's president meets with her, Crystal will wage a fiery one-woman protest to prove it! But when he finally appears, Douglas Wellington III is far from the elderly curmudgeon she expected. . .

Tall, lean, and fabulous, Douglas is in for a surprise of his own. Crystal's cafe au lait beauty takes his breath away. Still, if she had any sense, she'd realize his project will save the impoverished community. With battle lines drawn, Crystal issues Douglas a challenge: spend one week on the land he wants to destroy. He agrees, if only to be alone with her. But when nature takes over amid North Carolina's lush countryside, these two warriors just may discover what happens to even the best laid plans. . .
