As a scholar exactly feel bored to be able to reading. If their teacher asked them to go to the library or even make summary for some book, they are complained. Just little students that has reading's soul or real their passion. They just do what the trainer want, like asked to go to the library. They go to there but nothing reading critically. Any students feel that looking at is not important, boring and also can't see colorful photographs on there. Yeah, it is to be complicated. Book is very important for yourself. As we know that on this time, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country.
