The Twins' First Year - Memories for Life Heather Grimstead, Bob Frothingham
“I’m into design, and this baby book is ‘me’.” Most baby books are stuck in the idea that kids come along one at a time and aren't very accommodating to twins. Not only is this Baby Journal set up for twins, but it is a refreshingly modern and stylish Baby Journal that allows you to express who you are today. Flexibility, customization and strong eye-pleasing design make up the foundation of this unique book that is offered specifically for twin babies. While typical baby journals are stuck in the past, forcing you into specific photo placement and requiring you to use pre-set forms for filling out information that might or might not be a good fit with you and your style, The Twin’s First Year gives you the flexibility to customize so you end up with a book of memories that fits your unique family and reflects your thoughts, your feelings and your style. “The design is cool ... this is really stylish ...” “I appreciate the ability to truly customize while still having professional design work already done for you.” With a designer color palette of is mint green, pale yellow and soft gray, this is the "Twins Edition"; H&S Publishing also offers "Baby Boy" and "Baby Girl" editions.
