Collins Drake exercises control over all facets of his life. From his business, to his relationships, to satisfying his physical needs ... it all happens on his command.

So when a woman shows up at his door and reminds him of a promise they made each other when they were just ten years old, it shouldn't have the ability to rock his entire world.

Yet it does.

Because Mia Monroe wasn't just his childhood best friend, she wasn't just the girl he lost his virginity to and hasn't seen since, she's the one exception to his perfect control. And piece by piece, she's about to tear apart his carefully laid plans.
