Red Alison Cherry

“Smart, funny, and full of awesome . . . everything I look for in a book.”
—Rachel Hawkins, *New York Times* bestselling author of the Hex Hall series

Felicity St. John has it all: loyal best friends, a hot guy, and artistic talent. And she’s right on track to win the Miss Scarlet pageant. Her perfect life is possible because of just one thing: her long, wavy, coppery red hair.

Redheads hold all the power in Scarletville—and everybody knows it. That’s why Felicity is scared down to her roots when she receives an anonymous note: *I know your secret.*

Because Felicity is a big fake. Her hair color comes straight out of a bottle. And if anyone discovers the truth, she’ll be a social outcast faster than she can say strawberry blond.

Felicity isn’t about to let someone blackmail her life away. But just how far is she willing to go to protect her red cred?

“As thought-provoking as it is enchanting.” —Rae Carson, author of the Fire and Thorns trilogy

“Clever, wickedly funny, and with so much heart.” —Melina Marchetta, author of *Jellicoe Road*, a Michael L. Printz award winner

From reader reviews:

Herman Nelson:

Here thing why this kind of Red are different and reliable to be yours. First of all studying a book is good but it depends in the content than it which is the content is as scrumptious as food or not. Red giving you information deeper since different ways, you can find any e-book out there but there is no reserve that similar with Red. It gives you thrill reading through journey, its open up your personal eyes about the thing this happened in the world which is might be can be happened around you. It is easy to bring everywhere like in park your car, café, or even in your approach home by train. For anyone who is having difficulties in bringing the printed book maybe the form of Red in e-book can be your option.

Donald Farrell:

People live in this new moment of lifestyle always try to and must have the extra time or they will get lots of stress from both daily life and work. So , when we ask do people have time, we will say absolutely of course. People is human not a robot. Then we consult again, what kind of activity have you got when the spare time coming to anyone of course your answer can unlimited right. Then ever try this one, reading publications. It can be your alternative throughout spending your spare time, typically the book you have read is definitely Red.

Martha Doughty:

Is it you actually who having spare time subsequently spend it whole day by simply watching television programs or just lying down on the bed? Do you need something new? This Red can be the reply, oh how comes? The new book you know. You are thus out of date, spending your spare time by reading in this new era is common not a nerd activity. So what these textbooks have than the others?

Linda King:

Don't be worry when you are afraid that this book can filled the space in your house, you may have it in e-book technique, more simple and reachable. This kind of Red can give you a lot of good friends because by you checking out this one book you have point that they don't and make anyone more like an interesting person. This book can be one of a step for you to get success. This e-book offer you information that might be your friend doesn't understand, by knowing more than various other make you to be great men and women. So , why hesitate? Let me have Red.
