Shadow Jewel: The Heart of Elovia V.N. Black

‘The past unites us, the future divides us’

The Empire of Elovia finds itself on the brink of a deep abyss, in danger of descending into yet another war. The only one who can save Elovia is the Demon girl who possesses the Ignorance stone. But the price will be high, for the Ignorance stone will bring not only peace, but great sorrow. A bitter battle breaks out between the Demons, the Diamondites and the Fairies, all seeking to influence fate in their favour. And thus good friends turn into enemies, heroes turn into murderers, and happy families become adversaries. Yet the strong bonds of the past bind the protagonists together to form an unbreakably bonded entity from which none of them can escape. Driven by the shadows of the past they recognise that they are not as free in their decision-making as they had thought.
