The EDGE Of Trust: Mass Market (Team EDGE) KT Bryan
Venture into KT Bryan’s exciting new series of EDGE operatives--an elite team of the government's top secret league of defenders called Team EDGE The Men. The Team. The Experience. "To Protect And Save With Valiance, Vigilance, and VALOR" Living a nightmare… When EDGE operative Dillon Caldwell follows a direct order to infiltrate and bring down the Sanchez Brothers drug cartel, he figures it will be a long, perilous year that he might not survive. He has no idea that his one year assignment will become three punishing, soul-destroying years, or that the price of his mission will ultimately be paid with the lives of his family. Dillon thought nothing could match the pain of losing his wife, but when Sara mysteriously turns up twelve months later, beaten yet alive, he realizes he was wrong. Sara has secrets she’s unwilling to share, secrets that may cost them their lives. Hunted by a relentless killer... Rafael Sanchez has turned a vendetta into a war with no rules. He has taken retribution to an extreme and wants to shatter more than just Dillon’s life. He wants to destroy every reason Dillon has left for living. One way in, and no way out... Trapped in a hostile jungle, Dillon and Sara have nowhere to turn, nowhere to hide, and they find themselves shifting from the shadows of vengeance into the sunlight of justice. In order to survive, they can trust no one, will betray anyone, and are determined to win at whatever the cost. Even if it means going over the edge.
