Dakota Cowboy: a western romance (Dakota Hearts Book 8) Lisa Mondello
*** Dakota Cowboy is a 200 page contemporary romance novel, book 8 of the Dakota Hearts series by New York Times and USA Today Bestselling author Lisa Mondello

The last thing Luke McKinnon wanted in life was to work at the family oil business. He'd done a good job steering clear of that by setting up a successful law practice in Sioux Falls. But when the patriarch of the family falls sick, Luke steps in. He's only trading his crisp white dress shirt for a t-shirt and hardhat until his father is back on his feet. He doesn't plan on sticking around. That is...until he meets Tessa.

Single mother, Tessa Rock isn't afraid of hard work. She can hold her own with the ranch hands on her daddy's ranch and on an oil rig. She doesn't have time for a man to mess up her fragile life...until Luke McKinnon shows up on her rig. The handsome lawyer is probably used to having beautiful women draped on his arm. But at the end of the day, it's a miracle if she can get all the dirt and grime out from under her fingernails. The two of them couldn't be more different. But none of that matters. She quickly learns what a fool she'd been to think of Luke as just a lawyer who can help her get what she wants. One night in his warm embrace, and seeing the heart and soul of a man who loves so deeply, Tessa realizes she wants the man...for the rest of her life.
