Forging the Darksword (The darksword trilogy)

Doom of the Darksword: 2 (The Darksword trilogy)

Legacy of the Darksword
It is twenty years since the once-magical land of Thimhallan was shattered by the forging of the Darksword. The survivors of that catastrophe now live on Earth, bereft of magic and hope, forbidden to return home. Only Joram remains behind on the world ravaged by his Darksword. Although the magic weapon has been destroyed--and with it, Joram's power--rumors have risen that Joram has forged a second Darksword. Now, as a merciless alien race threatens Earth with annihilation, Earth's desperate leaders look to Joram as their only hope. But even as his old friend Saryon begins the perilous journey to seek his aid, the embittered Joram has his own plans for the weapon. And Joram is not the only one. Soon a new menace looms, foreshadowing betrayal, enslavement, and death to humans and Thimhallans alike. Returning to one of their best-loved fantasy series, Margaret Weis and Tracy Hickman bring alive a sweeping tale of intrigue and magic.
Born without magic, Joram was one of the Dead, denied the throne of Merilon. For years, he lived among outlaws, surviving by wit and sleight-of-hand. Now, wielding the powerful, magic absorbing Darksword, Joram retums to the enchanted Kingdom that once was his home to win revenge and claim his birthright. Here he will test Bishop Vanya and his fierce army of Duuk-tsarith in a battle unlike any their world has known. Joined by the scholarly catalyst Saryon, the young mage Mosiah, and the trickster Simkin, Jorma confronts the shattering secret of his past and discovers the ancient prophecy ..
