Truth and Fiction in the Da Vinci Code: A Historian Explores What We Really Know about Jesus, Mary Magdalene, and Constantine Bart D. Ehrman
By Erik Weaver on March 14, 2012 I find Prof. Bart Ehrman's works are generally pretty good. He can be a little caustic at times, so if one has sensitive skin he may occasionally rub one wrong. But that's OK. That just means one is pushing the limits of one's comfort zone and is maybe learning something. That's my take on Ehrman anyway. As to this particular title, I found it quite interesting. The way Ehrman used the so-called "historical" elements of the plot in this work of fiction as devices for comparing and contrasting with those based in historical probability was very illuminating. I feel that I learned quite a bit. And it was somewhat entertaining as well given that it followed the plot of the book and corrected the many erroneous statements along the way.
