Amy and Scott meet in a mental hospital in Los Angeles after different circumstances pull them in together. They cling to each other for survival, tired of their repeated hospitalizations and lack of progress. Together, they come up with a plan to make it in the “real world”. Will their commitment to making a better life for themselves outweigh their inherent shortcomings? Or are they doomed to be trapped in the mental health system forever? Crazy Meeting You Here is a fictional version of the real-life story that inspired it.
