Developing Effective Research Proposals Keith F Punch
Successful research requires effective and thorough preparation. In this expanded and updated **Second Edition** of **Developing Effective Research Proposals**, author Keith F. Punch offers an indispensable guide to the issues involved in proposal development and in presenting a well-considered plan for the execution of research. Dealing with both qualitative and quantitative approaches to empirical research across the social sciences, the **Second Edition** comprehensively covers the topics and concerns relevant to the subject and is organized around three central themes: What is a research proposal, who reads proposals and why; How can we go about developing a proposal?; and What might a finished proposal look like?
