Great Adventure Binder with Study Set (Questions and Responses) Keep your Great Adventure Study Set items organized neatly! The Great Adventure Binder comes with the Study Set Questions and Responses. The Great Adventure is sweeping across the country as the fastest growing Bible study in existence. Every day, more and more people are encountering God's Word through the methods taught in The Great Adventure Foundational Study Series. Jeff Cavins developed The Great Adventure in 1984 when he realized that many Christians did not grasp the big picture of the Bible. Though people knew selected stories, they were not able to connect them into a full narrative. His answer was to identify the books of the Bible that tell the story from beginning to end. By reading just those 14 narrative books, a chronological story emerges. From this idea grew the immensely popular Bible Timeline program, that teaches the story in a way that is easy to remember, and helps people to continue reading Scripture on their own. Hundreds of thousands of people have learned to read the Bible through this system.
