Logic to the Rescue Kris Langman
When Nikki Murrow lost her first High School debating match she did what anyone would do – she hid in a closet. She found comfort hiding among the mops and cleaning supplies, but she also found two imps – tiny creatures from a magical kingdom who lead her on a strange journey into the Realm of Reason.

There is Fuzz, an imp with a fondness for breaking the rules. And Athena, a model of impish manners, decorum and spotlessly clean clothes. Together they convince Nikki to join them in the battle against the king's evil advisor, Maleficious.

In her debate class, Nikki learned the value of logic and reason, but who knew her ability to formulate a hypothesis would help a mud-splattered Knight redeem his tarnished reputation? Or that her knowledge of logical fallacies would rid the Realm's Haunted Hills of ghosts?

Maleficious's hold on the king is strong, but Nikki and the imps are determined that the Realm will not fall into his clutches. Will their mastery of logic and science rid the kingdom of the ignorance Maleficious is spreading, or will the inhabitants of the Realm fall back under the sway of centuries-old superstition?
