Are you a trusted seller? Are your product and service offerings easy to find on the web? Do you inform, educate, and entertain through your content? Do you listen and engage people through online channels? Today's buyers want to be engaged differently than in years past, and many traditional marketing tactics simply do not work anymore. Social media marketing is a revolutionary way to build solid relationships with buyers long before first contact. Marketing 2.0 demonstrates through strategies, tactics, and real world examples that the greatest risk to businesses is NOT adopting these indispensable social media marketing techniques.
