My Only Regret (Twisted Fate Series) (Volume 1) Rhonda James
Rhyann Michaels has spent most of her life doing only what was expected. Working for a tyrant boss at a job she secretly despises, dating losers but always hoping for more. Just once, she would like to break out of the mold that has been cast. She often dreamed of what it would be like to live life with wild abandon and do the unexpected. How would it feel to stop looking for Mr. Right, and say yes to Mr. Wrong? One night, that's all it was supposed to be. He'd told her all the things he wanted to do to her body, even promised to make her forget her own name, what he failed to tell her was how to go about forgetting him. Jesse Montgomery has spent most of his life on stage. He was cocky, confident, and usually got what he wanted. His band has worked hard and their music career was finally taking off. Beautiful women surrounded him, and there was always one waiting backstage hoping for the chance to share his bed. He liked variety; one woman would never be enough for him, that was, until he met her. One night, that's all he wanted. One night of passion with the most gorgeous woman he had ever laid eyes on. He made promises, and took her back to his place and happily fulfilled them, but when he woke the next morning she was gone. The only thing left behind was a note. Their night of passion may have made her forget her own name, but it had been burned in his memory forever. He'd counted on giving her a good time, what he hadn't counted on was giving her his heart.
