**Nothing Personal: A Novel of Wall Street** Mike Offit

Warren Hament is a bright young man who wanders into a career in finance in the early 1980s. *Nothing Personal* is the extraordinary story of his rapid ascent toward success, painted against a landscape of temptation and personal discovery. Introduced to the seductive, elite bastions of wealth and privilege, and joined by his gorgeous and ambitious girlfriend, he gets a career boost when his mentor is found dead.

Warren soon finds himself at the center of two murder investigations as a crime spree seemingly focused on powerful finance wizards plagues Wall Street. The blood-soaked trail leads to vast wealth and limitless risk as Warren uncovers unexpected opportunity and unknown dangers at every turn and must face moral dilemmas for which he is wholly unprepared.

*Nothing Personal* is a stellar debut novel, which follows an increasingly jaded protagonist as he comes of age in a rarified, deeply corrupt world. Offit, a former senior insider, unflinchingly divulges Wall Street's culture of abuse and portrays the insidious, creeping forces of greed, sex, and power---and the terrible price paid in their thrall.
