Border War William W. Johnstone
Not since the days of the infamous Pancho Villa, has a foreign force raided American soil for plunder. And when a busload of American schoolgirls is hijacked and taken across the border into Mexico, the repercussions prove to be deadly. The gang of kidnappers is led by the ruthless crime lord Alphonso Guerrerro, whose daughter is on that bus. His ex-wife took his daughter back to the States, but Alphonso wants her back - it's a matter of pride - and will stop at nothing to get her. Now he's got a devil's bounty of young women to be used as hostages, or sold into the horrors of white slavery in South America if his demands are not met. But, Vietnam vet Tom Brannon has something to say about this. His niece is on that school bus, so he's recruiting a battle-tough squad of ex-soldiers made up from the families of the kidnapped girls. They're going to rescue the girls and destroy Guerrerro and his gang of border thugs once and for all.
