Forever and a Knight Bridget Essex
A warrior woman, a DJ from Boston, and a love story that's out of this world... Josie Beckett is a shock jock DJ--she's sarcastic, funny and doesn't believe in anything at all, certainly not in magic. But she's going to start believing when she finds herself no longer in her apartment's basement…but in the wild woods of another world entirely. And falling (literally) onto a woman who makes her heart skip a beat. Attis, the mysterious, dashing woman Josie unceremoniously fell onto, was once a knight…but tragedy caused her to give up her dream. Josie is now on another world, a world where cheap coffee, twenty-four hour hot dog stands and radio don't exist--and she has no idea how to get home. When Attis offers to let Josie accompany her to the capital city of this strange, magical country, Josie embarks on the ride of her life. There's so much more to Attis than meets the eye, and in the span of a couple of days, Josie finds herself falling for the brooding, quiet warrior woman who was there to catch her. Can the two women find a way back to Josie's world…or will love make Josie want to stay? And, of course, there's the tiny problem that, in the dark woods of this strange, new world, there is something following Josie and Attis... FOREVER AND A KNIGHT is a light-hearted, fantastical romance that will take you on a journey you'll never forget. It is approximately 90,000 words. This novel is set in the same world as A KNIGHT TO REMEMBER, but is a stand-alone book. It is part of Bridget Essex's Knight Legends series: women knights, real world hi-jinks and love stories that transcend time.
