And that's just the beginning.

"Life’s Too Short and So Am I" takes you along for the ride. Experience the real-life travels and tribulations of Terry Wilson and his worldwide validation of Murphy's Law. Yes, whatever can go wrong, will go wrong.

It may read like fiction, but all this really did happen to me. And, I’ve got the pictures to prove it.

The following stories are excerpts from my life. For years now, my friends have been saying: "You really ought to write a book.” They wouldn't stop.

So I wrote a book...a collection of my misadventures to date. Whether you're laughing with me or at me, enjoy a chuckle or three at my expense. Certainly, my friends have.

No wonder they wanted me to write a book.
