This book distills the information from the k-8 literacy text *Literacy for the 21st Century*, focusing specifically on literacy learners from pre-kindergarten through grade 4. What are the specific needs of these students? How can you predict early literacy difficulties and how best can you scaffold your instruction to prevent reading difficulties in the future? How are the PK student's needs different from the older, primary grades student?

FEATURES:

Chapter opening vignettes-Contextualize chapter concepts in an authentic classroom, complete with photos, dialog, and samples of student work to model excellent classroom teaching and prepare readers for the classrooms in their future.
Assessment Tools --highlight the complete chapter on assessment and provide future teacher candidates with the means to evaluate their students' progress in early literacy. They'll also find ideas for alternative assessment
