Modelling Figures in Clay.: Life Cycles and Mini Beasts. Brian Rollins
Part of our 'Modelling figures in Clay' series the projects in this book are meant to teach pupils the principles of life cycles in creatures, making three dimensional models of the creatures reinforces other avenues of teaching. The models are made up step by step with each step having a still photo of the outcome of that stage and the basic modelling skills are practiced and developed by working through the projects. Worksheets are provided with clay weights and templates to enable the student to make the models to scale.
