Book One of The Beckett Lodge Series:

Tess and Tom Beckett had always dreamed of opening a pet-friendly vacation Lodge deep in the rugged Northern wilderness, but when her husband dies unexpectedly, Tess is left to run the business alone. Until the day a stray dog swims in from the lake and threatens to steal her heart and question her belief in miracles.

Police officer Brandon Bishop wants nothing more than to forget what happened with his latest case. How could he and his beloved but aging K-9 partner Toto have been so wrong about finding that little girl? Maybe his Boss was right – a relaxing vacation at a secluded Lodge was just what the pair needed to clear their minds and move on.

Big city socialite Joanne Lawrence can't believe her misfortune. First, her ex-husband gives their five-year-old son a huge slobbering dog for Christmas, and now she has to take the massive mutt on vacation! But when tragedy strikes, Joanne learns about the true power of a dog's love.

Out of the Blue is a unique story about love, friendship, and the incredible bond between dogs and their people.
