The Werewolf of Wall Street

Gary Greenberg, Jerome Tuccille

The Werewolf of Wall Street Gary Greenberg, Jerome Tuccille
Rival revolutionaries, a deadly monster, a friendly vampire, and tough choices Ever since that odd night at The Pentangle Pub six years ago left-wing revolutionary Alex Mallum has had strange dreams and unexplained blackouts. Shortly thereafter the mysterious Luke Fenris appeared and in just a few short years has become the idol of Wall Street right-wingers and talked about as an American savior. Each has secret revolutionary plans to change the face of American politics and their radical paths are on a collision course. But unbeknownst to each, the two share a mysterious link to a deadly monster. Only Ludwig von Dracula, self-proclaimed descendant of the infamous count and head of the Vampire Liberation Front, knows the secret of the homicidal beast that binds these two rivals together but he's not sure he should intervene. Not his problem. But if Alex Mallum doesn't die before the completion of the upcoming eclipse of the Harvest moon the world may never be the same. Unless . . . "I had to know how the book would end." -- Barbara Branden, author of The Passion of Ayn Rand "A political satire expressed in the form of a horror story . . . Some of their ideas really are clever. Their secretive master villain's ultimate secret really is ingeniously chosen." --Prometheus, Newsletter of the Libertarian Futurist Society
