1 and 2 Thessalonians (Zondervan Exegetical Commentary on the New Testament) Gary Shogren

1 and 2 Thessalonians is another release in the Zondervan Exegetical Commentary on the New Testament series?the only commentary series with a graphical display, theology in application section and identification of the main idea for each section.

Designed for the pastor and Bible teacher, the Zondervan Exegetical Commentary on the New Testament brings together commentary features rarely gathered in one volume. Written by notable evangelical scholars, each volume treats the literary context and structure of the passage in the original Greek and each author provides an original translation based on the literary structure.

The series consistently provides a main point, exegetical outline, verse-by-verse commentary, and theology in application in each section of every commentary. Critical scholarship informs each step but does not dominate the commentary, allowing readers to concentrate on the biblical author’s message as it unfolds. While primarily designed for those with a basic knowledge of biblical Greek, all who strive to understand and teach the New Testament will find these books beneficial.
