Becky had lusted over someone for years; someone she was not supposed to have. At the ripe age of eighteen, the **untouched** girl was ready to offer her first time to him. A visit to her daddy doctor was just the first step in Becky's plan to seduce the **man of the house**. Becky innocently presents her **leaky problem** down below which will be *plugged up* very soon by Dr. Monte.

Oh Daddy, that feels so good. What are you doing to me? You are making it wetter!

Dr. Monte has no problem with giving her a *dose of forbidden pleasure*: as long as he can do it **hard and without protection**! He'll make it so that Becky will keep coming back for more *appointments with the doctor.*

...The **explicit details are Far Too Taboo** to mention anymore. Click the Look Inside to take a peek inside.
