How to Make Love to a Man Alexandra Penney
ASK ANY MAN. If you can get him to admit it, he'll probably tell you that he would like to be made love to almost as much as being a good lover.
In the past, it is the man who has been responsible for not only the lovemaking, but the romance: candlelight, flowers, music, and tenderness. HOW TO MAKE LOVE TO A MAN, a classic best-seller, is the first book to focus on men's sexual and emotional needs, and to talk to today's woman who would like to be an active partner but doesn't quite know how. More than a manual for having sex (though it is that too), this is a guide to the art of making love. The author, after interviewing doctors, sex therapists, women, and most important, more than 200 men, has been able to understand men's deepest emotional needs.
The author discusses what men find sexy in a woman; how to show a man that you are interested, how to get a man to share his emotional and sexual needs, how to enhance sex through a massage, touching, and improved timing, and much more.
Whether married or single, the reader will gain new insight on making "whole" love—developing the attitude and the understanding that make the love act complete and meaningful.
