I Wish I'd Never Met You Tanith Davenport

There's only so long you can hide who you are.

Flick Lindenwood, fresh from college, has returned home to the suburban haven of Green Valley, back to society…and the source of her heartbreak. Four years ago Elodie Hamilton savagely broke her heart, and Flick has no intention of letting her pretty ex get back under her skin. As far as she's concerned, she and Elodie never happened.

But Elodie has other ideas.

Afraid to come out, Elodie chose to destroy her relationship with Flick rather than let her family know who she was. But now she wants to right the wrong she did—if she can only find the nerve, and if she can convince Flick to see past the pain she caused.

About Tanith Davenport

I have been writing for ten years and first got into erotic romance through the Romantic Novelists' Association New Writer's Scheme; they critiqued my debut novel "The Hand He Dealt", which was published in June 2011 and was nominated for the Joan Hessayon Award.

I live in Yorkshire with my husband and two extremely bratty tuxedo cats. When I'm not writing I spend my time watching horror movies, listening to rock music, travelling to new places and trying out new restaurants.

From reader reviews:

Reginald McDade:

What do you ponder on book? It is just for students since they are still students or the item for all people in the world, the actual best subject for that? Simply you can be answered for that question above. Every person has diverse personality and hobby for every single other. Don't to be pushed someone or something that they don't need do that. You must know how great and also important the book I Wish I'd Never Met You. All type of book could you see on many solutions. You can look for the internet resources or other social media.

Maria Huffman:

What do you regarding book? It is not important along with you? Or just adding material when you want something to explain what yours problem? How about your time? Or are you busy man or woman? If you don't have spare time to perform others business, it is gives you the sense of being bored faster. And you have free time? What did you do? Every person has many questions above. They have to answer that question since just their can do this. It said that about book. Book is familiar in each person. Yes, it is proper. Because start from on kindergarten until university need this kind of I Wish I'd Never Met You to read.

David Wysocki:

As people who live in typically the modest era should be change about what going on or information even knowledge to make these individuals keep up with the era that is always change and progress. Some of you maybe may update themselves by examining books. It is a good choice for yourself but the problems coming to you actually is you don't know what one you should start with. This I Wish I'd Never Met You is our recommendation to make you keep up with the world. Why, because book serves what you want and want in this era.

John Tammaro:

Your reading sixth sense will not betray you actually, why because this I Wish I'd Never Met You publication written by well-known writer who really knows well how to make book which might be understand by anyone who else read the book. Written in good manner for you, still dripping wet every ideas and creating skill only for eliminate your current hunger then you still question I Wish I'd Never Met You as good book but not only by the cover but also by the content. This is one e-book that can break don't ascertain book by its cover, so do you still needing one more sixth sense to pick that!? Oh come on your examining sixth sense already said so why you have to listening to another sixth sense.
