The Definitive Answer to the War on Drugs Micah Charles
Delving into the depths of the drug problem Micah Charles clearly emerges with an unprecedented plan on how to safely and effectively end the Drug War forever. With over a decade of experience using drugs and participating in the drug culture, he has combined his drug knowledge with the study of drug law, politics, philosophy and psychology to devise a new drug plan that is absolutely right for America and the rest of the world. With growing concern over the ineffectiveness and lack of unity among the current drug policy reform groups, Micah has taken it upon himself to ignite direction and purpose by sharing his unique vision of how a modern society should be dealing with drugs and drug users. You will see that there is a definite solution to end the violent, corrupt and profitable underground drug market that we have today, without compromising public safety or exacerbating drug abuse.
