The Two Ways: The Early Christian Vision of Discipleship from the Shepherd of Hermas and the Didache (Plough Spiritual Guides: Backpack Classics)
How did early Christians receive and understand the teaching of Jesus and the apostles? These writings, among the earliest used in training new disciples, show a clear, vibrant, practical faith concerned with all aspects of discipleship in daily life?vocation, morality, family life, social justice, the sacraments, prophecy, citizenship, and leadership.

For the most part, these writings have remained buried in academia, analyzed by scholars but seldom used for building up the church community. Now, at a time when Christians of every persuasion are seeking clarity by returning to the roots of their faith, these simple, direct teachings shed light on what it means to be a follower of Christ in any time or place.
