The Vampire's Kiss (Other World Series Book 1) Ramona Gray
Abigail Winters leads a perfectly ordinary life until the night she's transported to an alternate earth. Attacked by vampires, her life is saved by the gorgeous but dangerous vampire, Val. When Val is injured and needs her blood to heal, she repays her debt by allowing him to feed from her. But she is unprepared for the immediate desire she now feels for the sexy vampire.

Despite saving her life, Val has no interest in feeding from the chubby human. It will be weeks before her need for him wears off, if she doesn't go mad first, and he has no wish to have her pining after him and begging him to feed from her again or worse – have sex with her. Gravely injured and with no other choice, he feeds from Abigail and is intoxicated by the sweet taste of her blood. Determined to claim her, his obsession with her grows as she fights her undeniable attraction to him.

When Abigail is taken from him, Val will do whatever it takes to find her.

Author's note: This is a novella of 27,000 words. It is book one of two in the 'Other World' series and ends in one hell of a cliff-hanger. It contains explicit and steamy sex scenes that may not be your cup of tea. It is intended for mature readers only.
