Trinity and Slade are finally together, and their secret is out in the open. But how will the rest of the gang react to their newly announced love? Cayson and Skye take it the easiest since they already knew about it, but what about everyone else?

Roland is a closet writer. Writing stories from the heart is all he's ever known. He's much deeper than people realize. When he confesses the truth to his mother, she takes a look at his stories. What will her response be?

Cayson awaits his letters from medical school, knowing when he receives them he'll have a decision to make. Skye is his whole world. What would life be without her? Will that guide him on his path? Or will it destroy him?
