Wrath (Seven Deadly Sins Book 6) Laura Cooper
With the return of Carlton imminent, her misplaced trust in Missy may cost her more than just her curiosity. It appears that Kinsley's plan has come to fruition, and Liz is in the most vulnerable position possible.

If all that wasn't bad enough, it seems Kinsley and Missy have a new ally in one Benton Frazier. Why is he in England? What is he doing with Kinsley and Missy? Will her loyalty to the relationship with Carlton survive?

Once released from her situation, Liz bolts for the more familiar confines of her New York Apartment. It is only when she's away from Carlton and his crazy family can she sort out all her feelings and find her true desire.
