Why are there not more church families teaching couples how to pray together? Most evangelical churches have adult Sunday school classes or other adult classes which are designed to equip their members to serve in God’s kingdom in whatever capacity God has called them to, and this is good wisdom. However, if a couple is never taught how to pray together, and the husband is never taught how to take the lead in all things concerning his marriage and family, including praying together, then it is likely that most married Christians may never reach the destiny that God has for them as a married couple. Unfortunately, many of these fine couples will eventually find themselves separated, and some even divorced.
Satan has convinced many godly men that they don’t have enough integrity to minister to their wives, or even to pray for them when they are with them.
The great accuser will even convince these godly men, that they don’t know enough to be the priests and spiritual leaders of their homes.He will bind them up in the fear that they will say or do the wrong thing when they are ministering to their wives or families, and it will make them look ignorant or inexperienced.
If this describes the way you feel, or you just want to be better at your assignment as the priest and spiritual leader of your home, and be able to confidently minister to and pray with your wife, then the powerful truths in this little book will lead you through the steps to do so!
In the beginning of this book you will learn what it means to be the priest and spiritual leader of your family and how important it is to the quality and longevity of your marriage to take the lead in making sure that there is a set time and quiet location that you and your wife can comfortably and humbly sit down and pray together. In chapter three you will be given a short but powerful sample prayer for your wife’s health that will allow you to start praying for her at an easy and comfortable pace.
In chapter four you will be given a short, powerful sample prayer to add to your daily prayer time for your wife’s protection. In the remaining chapters you will learn about and be given prayers for your wife’s favor, her sleep and dreams, your marriage, your children, unborn children and grandchildren, your home, your finances, and your future.
The author's heart for this book is that you and your wife may experience the life changing power of praying together that, through Jesus Christ, will strengthen your marriage beyond your wildest dreams!
