This is a Standalone Story. No Cliffhanger ending.
WARNING: Contains graphic language, sex and violence. Intended for mature readers only.

When a bar fighting, guitar playing, womanizer saves a street girl from being attacked and raped, everything in his life changes.
He was only up the alley doing what he loved best. Satisfying a woman with his obvious assets. Little did he know that the girl watching him would steal his heart.
But there is a lot more to the story of the fiery little street girl than just another lost soul. She didn't want to be on the streets. She had no choice. It was better than being locked up in “a cage”.
Would Mick be able to handle Skye as easily as the punks he would throw out of the bars he played at?
It started with a fight and in the end she would be fighting for her life, and he for a life with her.
