William Kowalski

Somewhere South of Here: A Novel William Kowalski

With his first novel, *Eddie's Bastard*, William Kowalski brought to the literary scene an engaging and original voice in fiction. With appealingly offbeat characters, a narrative steeped with imagery and threaded with lyricism, and a story filled with unexpected surprises, *Eddie's Bastard* earned such praise as "a grand debut" (Gail Godwin), "exuberant" (the *New York Times*) and "appealing" (*People* magazine), and marked the emergence of an important writer. Kowalski now fulfills that promise in *Somewhere South of Here*, the tale of a young man's search for the mother he's never met.

As Billy Mann grew up, his only link to the father who died in Vietnam and the mother who deserted him was his hard-drinking grandfather, Thomas Mann, who raised him on a diet of fried bologna sandwiches and mythic tales of the Mann family ancestry. With Grandpa gone, Billy has lost his only known blood relation and sole link to his heritage. The lone clue he possesses to his mother's whereabouts is her last-known address, somewhere in Santa Fe, New Mexico. Propelled by hope and heartache, Billy sets off on a cross-country odyssey from his home in upstate New York.

Arriving in Santa Fe, carrying every possession he owns on the back of his motorcycle, Billy has taken the first step of an intoxicating journey of the heart as he courageously completes his rite of passage into manhood. Filled with vividly drawn characters, each of them with secrets and secret longings of their own,

Billy's world is suddenly rich with possibility -- the chance for love, friendship, and, finally a family to call his own.

Somewhere South of Here is a lyrical exploration of the stories that make up our lives, the redemptive power of love, and the faith that compels us to go on.

From reader reviews:

Alice Christensen:

Do you have favorite book? When you have, what is your favorite's book? E-book is very important thing for us to be aware of everything in the world. Each publication has different aim or perhaps goal; it means that e-book has different type. Some people feel enjoy to spend their the perfect time to read a book. They are reading whatever they get because their hobby is actually reading a book. How about the person who don't like studying a book? Sometime, individual feel need book after they found difficult problem as well as exercise. Well, probably you'll have this Somewhere South of Here: A Novel.

Kimberly Hopkins:

Spent a free the perfect time to be fun activity to do! A lot of people spent their free time with their family, or their own friends. Usually they performing activity like watching television, about to beach, or picnic within the park. They actually doing same every week. Do you feel it? Do you want to something different to fill your own personal free time/ holiday? Could possibly be reading a book could be option to fill your free time/ holiday. The first thing that you will ask may be what kinds of guide that you should read. If you want to try out look for book, may be the e-book untitled Somewhere South of Here: A Novel can be great book to read. May be it may be best activity to you.

Katherine Ouellette:

Playing with family in the park, coming to see the ocean world or hanging out with friends is thing that usually you might have done when you have spare time, and then why you don't try factor that really opposite from that. Just one activity that make you not experience tired but still relaxing, trilling like on roller coaster you already been ride on and with addition associated with. Even you love Somewhere South of Here: A Novel, you can enjoy both. It is excellent combination right, you still would like to miss it? What kind of hang-out type is it? Oh come on its mind hangout guys. What? Still don't understand it, oh come on its identified as reading friends.

John Glass:

That publication can make you to feel relax. That book Somewhere South of Here: A Novel was multi-colored and of course has pictures around. As we know that book Somewhere South of Here: A Novel has many kinds or category. Start from kids until youngsters. For example Naruto or Investigator Conan you can read and think that you are the character on there. Therefore , not at all of book are generally make you bored, any it offers up you feel happy, fun and rest. Try to choose the best book to suit your needs and try to like reading that will.
