Business Psychology and Organizational Behaviour

Eugene McKenna

Business Psychology and Organizational Behaviour Eugene McKenna

Now in full colour, the fifth edition of this best-selling textbook introduces all of the major theories, research findings, principles and concepts in business psychology and organizational behaviour, whilst emphasising their real-life application using relevant examples. The book, which is well-organized and clearly written, takes the reader through individual, group, and organizational/HR perspectives on the subject, while at the same time offering an appreciation of their historical development and methodological issues.

The text has an improved structure and style of presentation, and has been revised and updated with new and expanded material including coverage of: recent debates in occupational psychology; investor psychology or behavioural finance; cognitive evaluation theory; employee engagement and positive psychology; corporate memories in culture; storytelling and social media; technostress and environmental influences on stress; and emergent trends in selection.

The book’s numerous helpful features include panels which contain relevant theories, research and illustrations of practice; learning outcomes; chapter summaries; review questions; a comprehensive bibliography; and a glossary. For lecturers who adopt the book, we provide access to a wealth of online teaching resources, including a chapter-by-chapter lecture course and multiple-choice question testbanks.

This is an essential textbook for undergraduates and postgraduates studying psychology and organizational behaviour; it will also be welcomed as a rich source of information by practitioners in organizations.

In a situation you wish to purchase the e-book, you can start their official web-site along with order it. Have a nice learn.

Estella Pierre:

As a university student exactly feel bored in order to reading. If their teacher expected them to go to the library as well as to make summary for some reserve, they are complained. Just little students that has reading's soul or real their hobby. They just do what the professor want, like asked to go to the library. They go to there but nothing reading really. Any students feel that reading through is not important, boring along with can't see colorful pics on there. Yeah, it is for being complicated. Book is very important in your case. As we know that on this period, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore , this Business Psychology and Organizational Behaviour can make you sense more interested to read.
