I Remember You: a novel (Book One) Akemi G
Alex and Derek have shared many past lives, but they don't know that yet when they meet by chance at a local café. Derek finds her attractive, so he talks to her. He has been having dreams of ancient Egypt since childhood. Soon Alex starts to have strange dreams set in ancient Egypt as well.

Together, they explore the secret of the first pyramid, designed by Atlantean refugees. Derek's sister, Nancy, is involved, too, but she criticizes the idea of reincarnation.

From the author of Why We Are Born: Remembering Our Purpose through the Akashic Records, comes an intriguing story of love and forgiveness that also invites you to re-experience history from an alternative perspective. Join Alex, Derek, and Nancy as they explore the possibility of reincarnation and soul friends (beyond soulmate).

This is Book 1 of the six-book series. The main chapters were originally published on Akemi's website, Akashic Records of Souls. The Kindle book contains a bonus story, freshly written for this publication, in which the main characters discuss the soul's origin, or starseeds.
