Who Moved My Cheese? For Kids Spencer Johnson, Steve Pileggi
Spencer Johnson's *Who Moved My Cheese?* is a bestselling book that has helped millions of people around the world adapt and succeed in changing times. Now Dr. Johnson has adapted his story for the picture book audience so that, starting from the earliest age, children can view change as a positive thing that can lead to new opportunity.

Young readers will enjoy following the story of the four little characters, Sniff, Scurry, Hem and Haw, who make their way through a maze looking for the "Magical Cheese" that makes them happy. And once they find the Cheese, it seems like it will last forever-until one morning when everything changes. Who moved their Cheese? Will it come back? Or will they have to look for different Cheese, venturing onto strange paths, around corners they've never explored? As children follow these friends through the maze of change, they can try to figure out which character they're most like-or which they most admire-and what their own Magical Cheese might be.
