Black Milk Robert Reed
From Hugo Award-winning author Robert Reed.

With a perfect memory and hyper-acute senses, Ryder is the leader of a group of five children, all highly specialized thanks to the genetic engineering pioneered by Dr. Aaron Florida—scientist, philanthropist, and genius.

These friends represent a new generation of genetically tailored individuals, created to help build a brighter future. But some effects of Dr. Florida's work were unforeseen, and Ryder and his friends will soon discover the shocking truth about the new world they stand to inherit.
