The saga of Buck Rogers in the 25th Century, the world's most famous science-fiction newspaper strip, continues with Volume Three of Hermes Press' complete reprint of this ground-breaking title. Volume Three has it all: space ships, anti-gravity belts, damsels in distress, invaders from other worlds, nefarious villains, and, of course, heroes. Included in this volume are two more years of the strip, from 1932 to 1934, as well as a special 16-page introductory essay by noted science-fiction writer and pop-culture historian Ron Goulart and an afterword detailing how many of the predications about the future from the strip came to pass just as Buck Rogers had visualized.
