How to be a Baller without being a Celebrity Mrs. Danielle Ware
My purpose is to educate others how to succeed in this cruel world we live in. This world will sell you a bridge for a million bucks if you allow it. Oftentimes folks lose their own way when trying to compare themselves to those who possess a status instead of being happy in their own skin. If we learn to set a goal for ourselves we too can be balling minus the Bull sold to us. Celebrities are idolized for their outer appearance and what they may have or May Not have. What everyday individuals lack is the knowledge and education of how they can obtain those same 'material' things they may have. Individuals discredit their lifestyle because what they think others may have. You don't see the struggles others have. Learn to be grateful for what you have and what you don't have. Everything comes with a price tag! I dedicate this book to my family and everyone who has believed in me since day one. No shade but haters thank you for elevating my talents! Takers For Life!
